Control Panel

Turning on the A/V System
- Locate the Control Panel on the Podium
- Press the button labeled POWER ON
- Wait for a solid light before selecting an input

Logging on to the Computer
- Log on to the Computer with your Tufts Username and Password to access your P-Drive, or log on with the following username and password:

<table>
<thead>
<tr>
<th>Username:</th>
<th>Password:</th>
</tr>
</thead>
</table>

Projecting from your Laptop
- Press the button labeled LAPTOP PC
- Plug the video connector into your laptop’s external monitor port and plug the audio connector into the headphone port
- If necessary, change the video settings on your laptop

Projecting from the DVD Player
- Press the button labeled DVD
- Use the bottom row of buttons on the control panel to control your DVD

Projecting from the VCR
- Press the button labeled VCR
- Use the bottom row of buttons on the control panel to control your VHS

Projecting from the Document Camera
- Press the button labeled DOC CAMERA
- Locate the Document Camera found in the drawer on the LEFT side of the podium
- Raise the camera arm and press the power button

Shutting Down the Control System
- Press the button labeled POWER OFF

Please remember to POWER OFF at the end of your lecture!
